

## UNITED BY JUSTICE

# 150+ Organizations One Powerful Mission

The strength of Alliance for Justice is rooted in our membership of more than 150 organizations. All of our members share a commitment to a multi-racial democracy where historically marginalized voices are amplified to upend exclusionary systems and center justice in our institutions of power.

AFJ works with our members to navigate the legal pitfalls of nonprofit advocacy and **protects our members' missions** by ensuring that our justice system is not used to roll back decades of progress on constitutional rights.

Our members **stand united** in the commitment to nonprofit advocacy as central to a **healthy democracy**. AFJ fights so you can **advocate boldly in the courtroom, legislature, and within your community**.
